

**Ipsos Poll conducted for Thomson Reuters: November 4-5, 2011****NOTE: all results shown are percentages unless otherwise labeled.**

These findings are from an Ipsos survey of 1,007 adults age 18+. Individuals were interviewed via a U.S. online household panel (Ipsos' national omnibus survey). The data were weighted to the national population profile, and Registered Voter data to the national profile of registered voters. The survey was conducted November 4-5, 2011. Statistical margins of error are not applicable to online polls. All sample surveys and polls may be subject to other sources of error, including, but not limited to coverage error and measurement error. Figures marked by an asterisk (*) indicate a percentage value of greater than zero but less than one half of a per cent. Where figures do not sum to 100, this is due to the effects of rounding.
