## Global @dvisor: Wall Street

- 
- [67](#) DP3. The 'Occupy Wall Street' movement appears to have a wide variety of goals and ideas that sometimes contradict. However, they are mainly protesting: social and economic inequality, corporate greed, the power of the financial sector and the global financial system. To what extent do you sympathize with the movement?

SECTION DP: WALL STREET

DP3. The 'Occupy Wall Street' movement appears to have a wide variety of goals and ideas that sometimes contradict. However, they are mainly protesting: social and economic inequality, corporate greed, the power of the financial sector and the global financial system. To what extent do you sympathize with the movement?
