^{*} These two items were presented together in previous soundings. Above mentions for each are reported separately for July 1993 onwards.

Figures represent "Total Mentions": Up the three issues were accepted from each respondents; therefore, percentages will exceed 100.

^{** &}quot;Other" includes other specific policy issues mentioned by 1 percent of less of all respondents to the September 1997 survey.

[&]quot;Thinking of the issues presently confronting Canada, which one do you feel should receive the greatest attention from Canada's leaders? What other issues do you think are important for Canada right now?"
