fa11. Prime Minister Chretien has to decide in the next couple of years if he wants to lead the Liberals in the next federal election. The next election could be held as early as this fall. Now, in your view, do you think Prime Minister Chretien should lead the Liberal Party in the next federal election, or should he step aside so someone else can lead the country?

fa14. Now, some people think the federal Liberals deserve to be re-elected because, overall, they have been doing what's right for the country. Other people say the Liberals don't deserve to be re-elected because one of the other major federal parties could do a better job of managing the country. Which of these two broad points of view is closest to your own?
