

TABLE 1 – CALGARIANS' VIEWS ON RESTRICTING PUBLIC SMOKING

Next, I'd like to get your views on smoking in public places. By public places I generally mean indoor areas where the general public has access for business, entertainment, recreation, worship or amusement. Different people have different views on where smoking should or should not be allowed in public places. I'm going to read you a list of different situations, and I'd like to tell me whether you personally agree or disagree with each.
