

# Detailed Tables

As you may know, Prime Minister Chretien has announced that he will leave his job as Prime Minister by February 2004, which is approximately 18 months from now. [ROTATE STATEMENTS]

Some/Other people say that it is reasonable for him to stay on for the next 18 months because he says he has a number of things he wants to do that will be good for the country.  
Some/Other people say that he should leave immediately and should give someone else a chance to run the country.

## [ROTATE STATEMENTS]

*Some/Other people say that Prime Minister Chretien is staying in office for the next 18 months because he has a number of policy initiatives that he wants to get done that will be good for the country. Some/Other people say that he is just hanging on to power for 18 more months in order to specifically frustrate the leadership aspirations of former Finance Minister Paul Martin.*
