Detailed Tables

I am now going to read you a list of program areas that are currently funded and I would like you to tell me how much you support taking money from these program areas to fund the Canadian military. We are using a scale from 0 to 7, where 0 means that you 'do not approve at all of taking money from this area' and 7 means that you 'approve of taking as ... to put towards the Canadian Armed Forces? - SUMMARY TABLE

Detailed Tables

At various times in Canada's history, tens of thousands of Canadians have volunteered to fight overseas or on the home front. Could you ever foresee an international conflict that would compel you to volunteer for military service, including a possible combat role? (That is, a personal internal need or obligation to volunteer for military service)?
