

Detailed Tables

National Health Care Commissioner Roy Romanow recommended that Canada create a National Health Council to act as a watch dog on our national system of health care. The recommended council would be comprised of representatives of both provincial and federal governments as well as outside representatives. I am going to read you a number of statements on this topic and I would like you to tell me if you strongly agree, somewhat agree, somewhat disagree or strongly disagree with each one.

Proportions/Mean: Columns Tested (5% risk level) - A/B/C/D/E/F - G/H/I - J/K * small base
