## Detailed Tables

As you may know, the main reason used by the United States as justification for its military action against Saddam Hussein was that Iraq possessed weapons of mass destruction and posed an imminent threat to the United States, the Middle East and the world. To date, no weapons of mass destruction have been found in Iraq despite the extensive US intelligence.

I would like you to tell me if you strongly agree, somewhat agree, somewhat disagree or strongly disagree with each of the following statement? If an investigation is conducted and it concludes that President Bush knowingly used incorrect or fabricated intelligence to convince the Congress and the American public to approve the Iraq military action, President George W. Bush should face impeachment hearings?
