

In 2002, the United Nations unanimously adopted a declaration and plan of action to improve the situation of children around the world and each country agreed to prepare national plans of action based on their own circumstances. Thinking about the Government of Canada's efforts to improve the situation of children here in Canada over the last couple of years, generally, how would you rate the Government ? Please use a standard report-card style grading system where 'A' means 'excellent', 'B' means 'good', 'C' means
