## Topline Tables

**5. Now, I am going to read you some statements and I want you to tell me if you agree or disagree with them: 10) Canada and the US should have visa requirements for people coming from other countries kept separate and specific to each country ?**

|                         |       | COUNTRY |               |
|-------------------------|-------|---------|---------------|
|                         | TOTAL | Canada  | United States |
| Base: All respondents   |       |         |               |
| Unweighted Base         | 2001  | 1000    | 1001          |
| Weighted Base           | 2001  | 1000    | 1001          |
| Very much Agree         | 45%   | 42%     | 47%           |
| Agree somewhat          | 33%   | 35%     | 31%           |
| Disagree somewhat       | 12%   | 13%     | 10%           |
| Very much Disagree      | 7%    | 7%      | 7%            |
| Don't know/Refused      | 4%    | 3%      | 5%            |
| TOPBOX & LOWBOX SUMMARY |       |         |               |
| Agree (Top2Box)         | 77%   | 77%     | 78%           |
| Disagree (Low2Box)      | 18%   | 20%     | 17%           |

**6. As you may know, Canada, the United States and Mexico entered into the North American Free Trade Agreement (NAFTA) in 1992 to reduce trade barriers and allow for a North American trading zone for the greater flow of goods and services between these countries. This agreement came into force in 1994. Thinking over the past few years, do you think that, on the whole, CANADA/THE UNITED STATES has been a winner or a loser as a result of this trade agreement ?**

|                       |       | COUNTRY |               |
|-----------------------|-------|---------|---------------|
|                       | TOTAL | Canada  | United States |
| Base: All respondents |       |         |               |
| Unweighted Base       | 2001  | 1000    | 1001          |
| Weighted Base         | 2001  | 1000    | 1001          |
| Winner                | 37%   | 30%     | 43%           |
| Loser                 | 53%   | 60%     | 47%           |
| Neither               | 5%    | 5%      | 4%            |
| Don't know/Refused    | 5%    | 4%      | 6%            |

**7. Now, please tell me which statement is closest to your point of view ?**

|                                                                                                              |       | COUNTRY |               |
|--------------------------------------------------------------------------------------------------------------|-------|---------|---------------|
|                                                                                                              | TOTAL | Canada  | United States |
| Base: All respondents                                                                                        |       |         |               |
| Unweighted Base                                                                                              | 2001  | 1000    | 1001          |
| Weighted Base                                                                                                | 2001  | 1000    | 1001          |
| We should make trade even closer between Canada and the United States and integrate the economies further    | 40%   | 38%     | 41%           |
| We should keep trade between Canada and the United States the way it is today and for the foreseeable future | 43%   | 39%     | 47%           |
| We should reduce trade and the integration of the economies between Canada and the United States             | 14%   | 20%     | 8%            |
| Don't know/Refused                                                                                           | 3%    | 2%      | 4%            |

## Topline Tables

**8. Currently Canada has troops in Afghanistan with other coalition forces but does not have any military forces supporting the US led coalition forces in Iraq. Do you think...**

|                                                                                                                                          |       | COUNTRY |               |
|------------------------------------------------------------------------------------------------------------------------------------------|-------|---------|---------------|
|                                                                                                                                          | TOTAL | Canada  | United States |
| Base: All respondents                                                                                                                    |       |         |               |
| Unweighted Base                                                                                                                          | 2001  | 1000    | 1001          |
| Weighted Base                                                                                                                            | 2001  | 1000    | 1001          |
| Canada should send military assistance and troops to help US and coalition forces in Iraq in addition to its current role in Afghanistan | 35%   | 18%     | 52%           |
| Canada should only keep to their current role in Afghanistan and not assist the US led coalition in Iraq                                 | 47%   | 60%     | 33%           |
| Canada should both withdraw completely from its current role in Afghanistan and also not assist the US led coalition in Iraq             | 14%   | 20%     | 9%            |
| Don't know/Refused                                                                                                                       | 4%    | 3%      | 5%            |

**9. Do you believe that with all the money both Canada and the United States spend on border security, and all the human and technological resources they commit to this priority that the border between our two countries will ever be truly secure from terrorists ?**

|                       |       | COUNTRY |               |
|-----------------------|-------|---------|---------------|
|                       | TOTAL | Canada  | United States |
