As you may know, Tuesday night a vote was held in the House of Commons. The Conservatives and Bloc Quebecois won this vote over the Liberals and NDP. In your view, does losing this vote mean that the Liberals have lost the confidence of parliament and must call an immediate election ?

The Conservatives and Bloc Quebecois say that the Liberal Government must IMMEDIATELY have another vote to determine if they have the support in parliament to continue governing the country. The Liberals have instead scheduled a confidence vote on May 19th to pass the federal budget. Do you agree with the Conservatives and Bloc Quebecois that the vote must be held immediately, or do you agree with the Liberals and NDP that it can wait until the budget vote on May 19th ?
