Now, I'd like to read you the key priorities the Conservatives have said they want to deliver on for Canadians. For each one, if they don't deliver on this priority, would you believe that the opposition parties are right to defeat the government and force an election? For each priority, please answer YES if you feel the opposition SHOULD force an election if the Conservatives don't deliver on this priority, or NO if you feel the opposition parties SHOULD NOT force an election if the Conservatives don't deliver on this priority.
