

Electronic Enforcement Table of Contents

ELECTRONIC ENFORCEMENT	1
1. Thinking now about the general level of traditional traffic enforcement by police in your community, including roadside checks, radar, speed traps and the general visibility of police, would you say that the level of enforcement is... ..	1
2. SUPPORT SUMMARY TABLE (Strongly/Somewhat support)	2
2. NEITHER SUMMARY TABLE (Neither support/oppose/Depends)	3
2. OPPOSE SUMMARY TABLE (Somewhat/Strongly oppose)	4
2. Electronic enforcement involves using cameras instead of police to identify vehicles that speed or run red lights. The owner of the vehicle is fined but no points are assigned to anyone's driving record. Do you strongly support, somewhat support, somewhat oppose or strongly oppose using each of the following types of electronic enforcement: 1) Photo radar to identify vehicles that break the speed limit in school zones?	5
2. Electronic enforcement involves using cameras instead of police to identify vehicles that speed or run red lights. The owner of the vehicle is fined but no points are assigned to anyone's driving record. Do you strongly support, somewhat support, somewhat oppose or strongly oppose using each of the following types of electronic enforcement: 2) Cameras to identify vehicles that go through intersections after the traffic light has turned red?	6
2. Electronic enforcement involves using cameras instead of police to identify vehicles that speed or run red lights. The owner of the vehicle is fined but no points are assigned to anyone's driving record. Do you strongly support, somewhat support, somewhat oppose or strongly oppose using each of the following types of electronic enforcement: 3) Photo radar to identify vehicles that break the speed limit on the highway?	7
3. When these types of electronic enforcement measures are used, do you think there should, or should not, be warning signs posted to advise motorists of their presence?	8
DEMOGRAPHICS.....	9
Region:	9
Province:	10
Canadian Markets:	11
Urban / Rural	13
Census Metropolitan Area:	14
Census Division	22
Respondent's Sex:	38
Language of Interview:	39
What age group do you fall into?	40
What is your current marital status?	41
Including yourself, how many people currently live in your household?	42
Do you have any children under the age of 18 currently living in your household?	43
And what are the ages of each of the children under 18 who are currently living in your household?	44
What is the highest level of formal education that you have completed?	46
Which one of the following categories best describes your current employment status?	47
And which of the following categories best describes your annual household income?	48

ELECTRONIC ENFORCEMENT

1. *Thinking now about the general level of traditional traffic enforcement by police in your community, including roadside checks, radar, speed traps and the general visibility of police, would you say that the level of enforcement is...*
