

Canadian Medical Association 2007 Report Card Study

Table of Contents

1A/B/C. Thinking of the issues presently facing Canada, which one do you feel should receive the greatest attention of Canada's leaders?	1
2. (A) RATING SUMMARY TABLE (Rated A+,A, A-)	5
2. (B) RATING SUMMARY TABLE (Rated B+,B, B-)	6
2. (C) RATING SUMMARY TABLE (Rated C+,C, C-)	7
2. (F) RATING SUMMARY TABLE (Rated F)	8
2. The first few questions are about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 1) The overall quality of the healthcare services available to you and your family?	9
2. The first few questions are about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 2) The choice of health services in your community?	11
2. The first few questions are about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 3) Your most recent dealing with the healthcare system in your community?	13
2. The first few questions are about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 4) The level of cooperation between various health professionals like doctors, pharmacists and nurses in your community?	15
3. (A) RATING SUMMARY TABLE (Rated A+,A, A-)	17
3. (B) RATING SUMMARY TABLE (Rated B+,B, B-)	18
3. (C) RATING SUMMARY TABLE (Rated C+,C, C-)	19
3. (F) RATING SUMMARY TABLE (Rated F)	20
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 1) Access to a family doctor in your community?	21
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 2) Access to walk in clinics in your community?	23
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 3) Access to medical specialists?	25
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 4) Access to modern diagnostic equipment such as MRIs and CT scans?	27
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 5) Access to emergency room services?	29
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 6) Access to healthcare services on evenings and weekends in your community?	31
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 7) Access to healthcare services for children in your community?	33
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 8) Access to healthcare services for seniors in your community?	35
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 9) Access to mental healthcare services in your community?	37
3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 10) Access to home health care services?	39
4. (A) RATING SUMMARY TABLE (Rated A+,A, A-)	41
4. (B) RATING SUMMARY TABLE (Rated B+,B, B-)	42
4. (C) RATING SUMMARY TABLE (Rated C+,C, C-)	43
4. (F) RATING SUMMARY TABLE (Rated F)	44
4. I'd now like to know the mark/letter grade you would give to the following: 1) The federal government's performance in dealing with healthcare in Canada?	45
4. I'd now like to know the mark/letter grade you would give to the following: 2) Your provincial government's performance in dealing with healthcare in your province?	47
4. I'd now like to know the mark/letter grade you would give to the following: 3) The performance of health care providers and their associations in dealing with healthcare in Canada?	49
5. Overall, do you think health care services in your community will get much better, somewhat better, somewhat worse or much worse over the next two or three years?	51
6. (A) RATING SUMMARY TABLE (Rated A+,A, A-)	52

6. (B) RATING SUMMARY TABLE (Rated B+,B, B-)	53
6. (C) RATING SUMMARY TABLE (Rated C+,C, C-)	54
6. (F) RATING SUMMARY TABLE (Rated F)	55
6. Please tell me the mark or letter grade you would give to the following, again giving each an "A", "B", "C" or "F". : 1) The quality of the air in your community?	56
6. Please tell me the mark or letter grade you would give to the following, again giving each an "A", "B", "C" or "F". : 2) The quality of the drinking water in your community?	58
6. Please tell me the mark or letter grade you would give to the following, again giving each an "A", "B", "C" or "F". : 3) The quality of the soil in your community?	60
6. Please tell me the mark or letter grade you would give to the following, again giving each an "A", "B", "C" or "F". : 4) The quality of the environment in your community?	62
7. (A) RATING SUMMARY TABLE (Rated A+,A, A-)	64
7. (B) RATING SUMMARY TABLE (Rated B+,B, B-)	65
7. (C) RATING SUMMARY TABLE (Rated C+,C, C-)	66
7. (F) RATING SUMMARY TABLE (Rated F)	67
7. In terms of taking action to improve the environment, what mark or letter grade would you give to the following: 1) The efforts of the Federal Government?	68
7. In terms of taking action to improve the environment, what mark or letter grade would you give to the following: 2) The efforts of your Provincial government?	70
7. In terms of taking action to improve the environment, what mark or letter grade would you give to the following: 3) The efforts of your Municipal government?	72
7. In terms of taking action to improve the environment, what mark or letter grade would you give to the following: 4) The efforts of the people who live in your neighbourhood?	74
7. In terms of taking action to improve the environment, what mark or letter grade would you give to the following: 5) The efforts of your own family?	76
8. Overall, do you think the environment in your community will get much better, somewhat better, somewhat worse or much worse over the next two or three years?	78
9. CONCERNED SUMMARY TABLE (Very/Somewhat concerned)	79
9. NOT CONCERNED SUMMARY TABLE (Not very/Not at all concerned)	80
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 1) Climate change and the effect that it will have on you and your family's health?	81
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 2) Soil contamination and the effect it has on the locally grown fruits and vegetables you and your family eat?	82
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 3) Environmental standards in other countries and the effect they have on the imported fruits and vegetables you and your family eat?	83
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 4) Air pollution in your community and the effect it has on you and your family?	84
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 5) Water quality in your community and the effect it has on you and your family?	85
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 6) Heat and sun exposure and the effects they have on you and your family?	86
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 7) The use of herbicides and pesticides in your neighbourhood and the effects they have on you and your family?	87
9. For each of the following please tell me if you are very concerned, somewhat concerned, not very concerned or not at all concerned. How concerned are you about: 8) The potential for climate change to encourage the spread of diseases like the West Nile Virus?	88
10. Have you ever taken action to protect your health from environmental factors?	89
11A. What specifically did you do?	90
11A/B/C. What specifically did you do?	91
12. Have you ever changed your lifestyle to lessen your impact on the environment?	93
13A/B/C. What specifically did you do?	94
14. Have you or a member of your family ever experienced a health condition or sought medical treatment for a condition that you believe was caused by the environment?	96
15A/B/C. Can you please tell me what the health condition was that you believe was caused by the environment?	97
16. Which one of the following sources of information do you think you would look to first for information on the environment and its impact on you and your family's health?	98
17. CREDIBLE SUMMARY TABLE (Very/Somewhat credible)	99
17. NOT CREDIBLE SUMMARY TABLE (Not very/Not at all credible)	100
17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 1) The Federal Government?	101
17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 2) Your Provincial government?	102

17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 3) Your Municipal government?	103
17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 4) Environmental groups?	104
17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 5) Your family doctor?	105
17. When it comes to the health impacts associated with the environment, please tell me how credible you feel that each of the following sources of information are for you and your family? Please respond by telling me if you feel these sources are very credible, somewhat credible, not very credible or not at all credible: 6) Your local public health department?	106
18. USEFUL SUMMARY TABLE (Very/Somewhat useful)	107
18. NOT USEFUL SUMMARY TABLE (Not very/Not at all useful)	108
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 1) Including questions about your personal exposure to environmental risks in your periodic check-up?	109
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 2) Recommending sources of reliable environmental health information?	110
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 3) Providing advice on how to respond to air quality issues and information?	111
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 4) Providing advice on how to respond to heat alerts?	112
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 5) Providing advice on dietary risks such as mercury in fish?	113
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 6) Providing advice on water quality issues such as lead levels in municipal water?	114
18. Thinking about how a family doctor can help you with issues related to health and the environment, please tell me how useful you think the following would be. For each please tell me if you think it would be very useful, somewhat useful, not very useful or not at all useful to you: 7) Providing advice on assessing home environmental risks such as moulds or radon gas?	115

1A/B/C. Thinking of the issues presently facing Canada, which one do you feel should receive the greatest attention of Canada's leaders?

2. The first few questions are about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 4) The level of cooperation between various health professionals like doctors, pharmacists and nurses in your community?

3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 2) Access to walk in clinics in your community?

Proportions/Mean: Columns Tested (5% risk level) - A/B - C/D/E/F - G/H/I

3. The next couple of questions are about your ability to access healthcare services in your community. By "access" we mean you can get prompt health care services for you and your family when you need to. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to: 7) Access to healthcare services for children in your community?
