

ONTARIO VOTING INTENTIONS

1A/B. Now, I would like you to focus on the Ontario provincial government, not the federal government. As you may know, Ontario Premier Dalton McGuinty and his Provincial Liberal party formed a majority government in the last provincial election. Thinking of how you feel right now, if a PROVINCIAL election were held tomorrow, which of the following parties' candidates would you, yourself, be most likely to support?

MCGUINITY RE-ELECTION

1. Some people say that the Liberal government under Premier Dalton McGuinty has done a good job and deserves to be re-elected during the Provincial election this upcoming October. Other people say that it is time for another provincial political party to take over and run the province. Which statement is closest to your point of view?
