

CONRAD BLACK

1. As you may know, Conrad Black, a former Canadian resident who owned a number of media properties and who has been on trial in a US court, was convicted on various business fraud charges and sentenced to six and a half years in jail, beginning in March of next year, a fine of \$160,000 and restitution of \$6.1 million dollars. Based on what you have seen, read or heard, do you believe that this sentence is too harsh, too lenient, or about right?

CONRAD BLACK

2. If Mr. Black could be transferred to a Canadian prison to serve his jail term instead of having to spend his jail time in a US prison, would you support or oppose the Canadian government allowing him to serve his time here in this country?
