2. With the slowing economy, it is likely that the Federal Government and Prime Minister Harper will be faced with three choices going forward: raising taxes, cutting spending, or running a deficit. How supportive would you be if the Federal government decided to do each of the following: 1) Raise taxes?

Proportions/Means: Columns Tested (5% risk level) - A/B/C/D/E/F - G/H/I - J/K
