1. As you may know, the G-20 will be meeting in Toronto later this month and will include the leaders, finance ministers and central bank governors from 19 countries plus the European Union. Collectively, the G-20 economies comprise 85% of global gross national product, 80% of world trade and two-thirds of the world population and is a forum for cooperation and consultation on matters pertaining to the international financial system. It has been estimated that the cost to Canada for security for the proceeding G-8 meeting in northern Ontario and then the full meeting of the 20 country leaders and their delegations will be close to one billion dollars. ... Which is closer to your own point of view?
