q1. To confirm that you qualify for this study, please enter your age.	1
q2. Which best describes your current employment status?	2
q3. Gender	3
qD1. What is your current marital status?	4
qD4. Which of these best describes your annual household income?	5
Total value of household's financial assets	6
q5a. Through work, do you participate in a group retirement plan (e.g. pension plan or group RRSP)?	7
q5b. You told us you have a group retirement or savings plan through work. What type of plan is it?	8
q5c. Through work, do you participate in a group benefits plan?	9
q6. Which of these describes what you think you will be doing at age 66, shortly after the normal retirement age?	10
q7. At what age do you think you will finally stop working and be fully retired, if ever?	11
q8_1. (I now expect to work longer than I originally expected.) Please select whether you agree or disagree with each of the following statements.	12
q8_6. (I haven't changed my retirement expectations at all.) Please select whether you agree or disagree with each of the following statements.	13
q9. Why do you expect to continue working at the age of 66?	14
q10c. Which statement best describes your situation?	15
q10d. Currently, what is your number one financial priority?	16
q11. How satisfied are you with how much you are saving for retirement? Would you say you are...?	17
q12_1. (Be able to take care of basic living expenses) Thinking about receiving retirement income, how confident are you that...?	18
q12_3. (Have enough money to pursue your hobbies and interests) Thinking about receiving retirement income, how confident are you that...?	19
q12_4. (Have enough money to enjoy the lifestyle you want) Thinking about receiving retirement income, how confident are you that...?	20
q13-1. If you believed today that you would not have enough income retire comfortably, what would you be MOST likely to do?	21
q15b. Which of the following risks do you feel should be addressed in a retirement plan?	22
q16_1. (Cost of food) Please indicate how you think things are going for each item below on the scale provided.	24
q16_4. (Inflation) Please indicate how you think things are going for each item below on the scale provided.	25
q20_1. (A government pension) How confident are you that you will receive each of these types of benefits at a level comparable to today's retirees?	26
q20_3. (Income from an employer pension or savings plan) How confident are you that you will receive each of these types of benefits at a level comparable to today's retirees?	27
q23d. How well would you say you understand your group retirement or savings plan?	28
q23e. How much advice do you feel would help you to make good decisions about your retirement plan at work?	29
q25l_1. (Overall top ranking 1) For your retirement planning needs, where do you expect you'd get the best advice?	30
q26e. Do you actually get financial advice from any of the following sources?	31
Education	33
Indexes	34
