CMA 2011 Summer Report Card 2

Table of Contents

1	1_1. [The overall quality of the healthcare services available to you and your family] This question is about your overall views on the health system in your community. What mark/letter grade would you give to:
2	1_2. [The choice of health services in your community] This question is about your overall views on the health system in your community. What mark/letter grade would you give to:
3	1_3. [Your most recent dealing with the healthcare system in your community] This question is about your overall views on the health system in your community. What mark/letter grade would you give to:
4	1_4. [The level of cooperation between various health professionals like doctors, pharmacists and nurses in your community] This question is about your overall views on the health system in your community. What mark/letter grade would you give to:
5	1. [A Summary] This question is about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to:
6	1. [B Summary] This question is about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to:
7	1. [C Summary] This question is about your overall views on the health system in your community. Regardless of whether you have used the health system recently or not we would like to know your opinions. What mark/letter grade would you give to:
8	2_1. [Access to a family doctor in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
9	2_2. [Access to walk in clinics in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
10	2_3. [Access to medical specialists] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
11	2_4. [Access to modern diagnostic equipment such as MRIs and CT scans] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
12	2_5. [Access to emergency room services] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
13	2_6. [Access to healthcare services on evenings and weekends in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
14	2_7. [Access to healthcare services for children in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
15	2_8. [Access to healthcare services for seniors in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
16	2_9. [Access to mental healthcare services in your community] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
17	2_10. [Access to home health care services] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
18	2. [A Summary] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?

19	2. [B Summary] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
20	2. [C Summary] This question is about your ability to access healthcare services in your community. What mark/letter grade would you give to?
21	3_1. [The federal government's performance in dealing with healthcare in Canada] And what mark/letter grade you would give to the following?
22	3_2. [Your provincial government's performance in dealing with healthcare in your province] And what mark/letter grade you would give to the following?
23	3_3. [The performance of health care providers and their associations in dealing with healthcare in Canada] And what mark/letter grade you would give to the following?
24	3. [A Summary] And what mark/letter grade you would give to the following?
25	3. [B Summary] And what mark/letter grade you would give to the following?
26	3. [C Summary] And what mark/letter grade you would give to the following?
27	4. Overall, do you think health care services in your community will get much better, somewhat better, somewhat worse or much worse over the next two or three years?
28	5. Do you have a family physician or doctor you usually see for medical care?
29	6. Have you seen your family physician or doctor in the last year?
30	7. Which of the following statements apply to you?

1_1. [The overall quality of the healthcare services available to you and your family] This question is about your overall views on the health system in your community. What mark/letter grade would you give to:
