

Which of the following have you ever experienced through social networking sites?

	Total	Gender		Age	
		Male	Female	12-15	16-17
Base: Have A Personal Profile With An Online Social Network Or Community	n=321	n=162	n=159	n=204	n=117
Witnessing someone you know being bullied	21%	17%	25%	25%	14%
Someone else posting an embarrassing picture of you	16%	12%	19%	15%	17%
Someone hacking your account and posting on a social networking site pretending to be you	12%	12%	13%	14%	9%
Someone using information they found about you online to harass you 'in real life' (e.g. at school, home or work)	6%	5%	6%	6%	4%
None of the above	49%	56%	42%	46%	55%

Survey fielded December 14th to 20th, 2011.

An unweighted probability sample of this size, with a 100% response rate, would have an estimated margin of error $\pm 4.8\%$, 19 times out of 20.
