

Canadian Online Omni December 12 - December 19, 2011

Water Safety Table of Contents

| | |
|--------------------|--|
| 1 | 1_1. (Adults aged 18 and over) Including yourself, how many adults and how many children live in your household? |
| 2 | 1_2. (Children aged 17 and under) Including yourself, how many adults and how many children live in your household? |
| 3 | 1. Including yourself, how many adults and how many children live in your household? |
| 4 | 2. In the boxes below, please indicate how old the children in your household are: |
| 5 | 3a. Total Members of Household who know how to swim |
| 6 | 3a. Total Adults who know how to swim |
| 7 | 3a. Total Children who know how to swim |
| 8 | 4. Total Members of Household who have taken formal swimming lessons |
| 9 | 4. Total Adults who have taken formal swimming lessons |
| 10 | 4. Total Children who have taken formal swimming lessons |
| 11 | 5. How far (in metres) do you think a person should be able to swim in order to be considered a good swimmer? |
| 12 | 6. Which of the following would you say describes your access to backyard pools? |
| 13 | 7. Which of the following measures do you use to make your backyard pool safe for children under 10 to be around? |
| 14 | 8. Which of the following measures do your friends and neighbours use to make their backyard pool safe for children under 10 to be around? |
| 15 | 9_1. (When an adult is present) As a parent, how concerned or not concerned would you be with your children playing in a backyard that has a pool? |
| 16 | 9_2. (When children are at least 10 years old) As a parent, how concerned or not concerned would you be with your children playing in a backyard that has a pool? |
| 17 | 9_3. (When the children are able to swim) As a parent, how concerned or not concerned would you be with your children playing in a backyard that has a pool? |
| 18 | 9. (Top2box (Concerned) Summary) As a parent, how concerned or not concerned would you be with your children playing in a backyard that has a pool? |
| 19 | 9. (Low2box (Not concerned) Summary) As a parent, how concerned or not concerned would you be with your children playing in a backyard that has a pool? |
| 20 | 10. At what age do you think a child should be allowed to be in or around a pool unsupervised, or do you think age is not important and that it should just be when they know how to swim? |
| 21 | 11. Which of the following options best describes your boating habits? |
| 22 | 12. When you go out boating, how often are you and all the adult passengers on the boat wearing a lifejacket? |
| 23 | 13. Why is it that the adults on board don't always wear a lifejacket? |
| 24 | 14. When you go out boating, how often would your children on the boat be wearing a lifejacket? |
| 25 | 15. Why is it that your children don't always wear a lifejacket when in a boat? |
| 26 | 16. Of the following options, which do you think best reflects boating regulations when it comes to wearing a lifejacket? |
| 27 | 17. How long do you think that you would be able to swim continuously, without touching the bottom or using a flotation device, in a lake, large river or the ocean? |

1_1. (Adults aged 18 and over) Including yourself, how many adults and how many children live in your household?
