Cancer Fear Banner 1

Table of Contents

1	1_1. [Heart disease (including stroke)] How much do you fear the following diseases?
2	1_2. [Diabetes] How much do you fear the following diseases?
3	1_3. [Cancer] How much do you fear the following diseases?
4	1_4. [Alzheimer's (or other severe mental illnesses)] How much do you fear the following diseases?
5	1_5. [HIV/AIDS] How much do you fear the following diseases?
6	1_6. [Multiple Sclerosis] How much do you fear the following diseases?
7	1. [SUMMARY - TOP2BOX (FEAR A LOT/ SOMEWHAT)] How much do you fear the following diseases?
8	1. [SUMMARY - LOW2BOX (FEAR A LITTLE/ DON'T FEAR AT ALL)] How much do you fear the following diseases?
18	3_1. [You are afraid of what the doctor might find] To what extent are the following barriers for getting screened or tested for cancer?
19	3_2. [You don't want to waste your doctor's time] To what extent are the following barriers for getting screened or tested for cancer?
20	3_3. [You are just too busy] To what extent are the following barriers for getting screened or tested for cancer?
21	3_4. [You are too embarrassed] To what extent are the following barriers for getting screened or tested for cancer?
22	3_5. [Your symptoms don't really seem a big deal] To what extent are the following barriers for getting screened or tested for cancer?
23	3_6. [You don't like going to the doctor] To what extent are the following barriers for getting screened or tested for cancer?
24	3. [SUMMARY - TOP2BOX (VERY MUCH/ SOMEWHAT A BARRIER)] To what extent are the following barriers for getting screened or tested for cancer?
25	3. [SUMMARY - LOW2BOX (NOT REALLY/ NOT AT ALL A BARRIER)] To what extent are the following barriers for getting screened or tested for cancer?
26	4. Hypothetically speaking, if you were diagnosed with cancer but there was little to nothing that could be done to treat it would you:
27	5_1. [Missing out on important life events (e.g., graduation, wedding, children, retirement, etc.)] If you were diagnosed with cancer, how much would you fear the following?
28	5_2. [Cancer returning (recurrence)] If you were diagnosed with cancer, how much would you fear the following?
29	5_3. [Physical changes to my body appearance (e.g., mastectomy, losing hair, etc.)] If you were diagnosed with cancer, how much would you fear the following?
30	5_4. [Feeling sick and unable to do every day things (e.g., work, family, social life, etc.)] If you were diagnosed with cancer, how much would you fear the following?
31	5_5. [Not having access to the best treatment (i.e. not available, or can't afford it)] If you were diagnosed with cancer, how much would you fear the following?
32	5_6. [Not having the necessary support (e.g., family, friends, caregiver)] If you were diagnosed with cancer, how much would you fear the following?
33	5_7. [Telling the people I love (e.g. spouse, children, close friends)] If you were diagnosed with cancer, how much would you fear the following?
34	5_8. [Dealing with healthcare professionals and navigating the healthcare system] If you were diagnosed with cancer, how much would you fear the following?
35	5_9. [Losing my job / financial repercussions of falling ill] If you were diagnosed with cancer, how much would you fear the following?
36	5_10. [Dying and leaving behind loved ones] If you were diagnosed with cancer, how much would you fear the following?
37	5. [SUMMARY - TOP2BOX (FEAR A LOT/ SOMEWHAT)] If you were diagnosed with cancer, how much would you fear the following?

[38](#) 5. [SUMMARY - LOW2BOX (FEAR A LITTLE/ DON'T FEAR AT ALL)] If you were diagnosed with cancer, how much would you fear the following?
