3. As you probably know, there has been ongoing Toronto Police Services surveillance and investigation concerning individuals linked to Mayor Ford. As a result, the activities of the Mayor have been part of the collected information put, to date, no charges have been laid against the Mayor personally. Recently, Toronto Police Services Chief Bill Blair confirmed that there two videos that had come into possession of the police and said at a press conference that "As a citizen of Toronto I'm disappointed... This is a traumatic issue for the citizens of this city and for the reputation of this city and that concerns me. Councillor Doug Ford has said that these comments should not have been made by the Police Chief in his police uniform and, in the absence of any criminal charge, shows a bias that should have the Police Chief step aside for an independent probe of his comments. Do you intend to disagree that the Chief of Police should step aside until an investigation can be made by the Office of the Independent Police Review?
