4. [Justin Trudeau’s decision to expel all Liberal-appointed Senators from the Liberal Caucus shows his willingness to make tough decisions on controversial issues]
As you may know, Liberal Leader Justin Trudeau recently expelled all Liberal Senators from his caucus, saying he will advocate for a non-partisan process for appointing members to the Senate going forward. He also said that if he were Prime Minister he would ensure that all future Senate appointments would be made by a non-partisan process and that new Senators would sit as independent members.

4. [Prime Minister Harper now needs to follow Justin Trudeau's lead and expel all Conservative-appointed Senators from the Conservative caucus]
As you may know, Liberal Leader Justin Trudeau recently expelled all Liberal Senators from his caucus, saying he will advocate for a non-partisan process for appointing members to the Senate going forward. He also said that if he were Prime Minister he would ensure that all future Senate appointments would be made by a non-partisan process and that new Senators would sit as independent members.
