

1_1. [Your bathroom/toilet area]

Noting the hot summer days ahead, let's say there were 3 or 4 days straight of 30 degree Celsius or more heat. The following are a number of places in or around your own residence that could give off an odor. Please indicate to what extent you believe the following places could get smelly during the heat. If you don't have a particular item just put in 'Not at all smelly':

1_9. [Carpets or area rugs]

Noting the hot summer days ahead, let's say there were 3 or 4 days straight of 30 degree Celsius or more heat. The following are a number of places in or around your own residence that could give off an odor. Please indicate to what extent you believe the following places could get smelly during the heat. If you don't have a particular item just put in 'Not at all smelly':
