

1. As you may know, the United States and some of its allies have begun military airstrikes against ISIL (Islamic State of Iraq and the Levant) targets in Iraq. ISIL is the radical terrorist organization behind violence, including the beheading of hostages, in Iraq and Syria. Prime Minister Stephen Harper and the Government of Canada are currently deciding whether the Canadian Forces should join the allied coalition and participate in these airstrikes. Would you support or oppose Canada joining this mission, and sending Canadian Forces fighter jets to participate in airstrikes against ISIL targets in Iraq?
