### Table Description

- |                          |  |
|--------------------------|--|
| <a href="#"><u>1</u></a> | 1. In your opinion, how important is it that provincial government officials are legally required to keep accurate and complete records of what they do on the job? (Duty to document)   |
| <a href="#"><u>2</u></a> | 2. BC's information and privacy law currently does not have penalties for interfering with information access rights. Many other Canadian jurisdictions do have such penalties. Should government officials who interfere with access to information rights face penalties?  |
| <a href="#"><u>3</u></a> | 3. BC's information and privacy law currently requires governments to release information even without a Freedom of Information request if it is in the public interest. Some people say this duty to release information without a request should only apply in emergency situations. Other people say this duty to release information should apply whenever there is a public interest in the information. Which of these is closest to your view as to when this duty to release information should apply? |
| <a href="#"><u>4</u></a> | 4. A number of experts (including BC's Information and Privacy Commissioner) have called for changes to the law to include both a legal duty to document and penalties for those who interfere with information rights. How important do you think it is that these reforms to the information and privacy law be passed before the next BC election (in 2017)?  |

1. In your opinion, how important is it that provincial government officials are legally required to keep accurate and complete records of what they do on the job? (Duty to document)
