

1_1. One of the commitments that Prime Minister Trudeau and the Liberals ran on during the election was that, if they were elected, they would make major changes to Canada's election system and how we elect Members of Parliament. Their commitment did not specify exactly how they would change the system. The following statements are about this commitment. For each, please indicate the extent to which you agree or disagree: - Canada's election system works fine as it is. There's no need to make major changes at the present time
